

WSW will provide basic and essential materials for **Exploring Photopolymer Printmaking**. In general we have small quantities of tools that can be shared. WSW will have printmaking paper for sale. You are welcome to bring paper from your home studio. In order to get the most out of the class having supplies requested by Nancy will make your experience most rewarding.

Exploring Photopolymer Printmaking – Nancy Diessner

- Simple folder for handouts
- Fine and extra fine Sharpies or Micron pens
- Medium and small bristle brushes
- Latex or nitrile gloves
- Snap away blade cutter or Exacto
- Laptop – bring one if you have Photoshop or Photo Elements especially helpful
