

Experimental Inking Techniques with Techniques with Letterpress Printing

Stephanie Carpenter

July 22 - 26

Materials needed:

- Apron
- X-acto or Olfa knife and extra blades
- Pencils and Sharpies
- Scissors
- 1 glue stick
- Bone folder
- Ruler
- Sketchbook, reference images, and ideas
- 1 pair of gloves (kitchen variety)
- Linoleum carving tools (if you have them)
- Paper
 - I will provide some paper, but if you would like to explore printing or pressure printing you should bring some.
- Interesting low relief textured papers, cloth, etc.
 - I will provide some stickers, tapes, and lightweight cloths of various kinds and textures. If you have something specific you want to try, bring it along.
