In this land was produced by
Judith Blumberg through an
Artist-in-Residence grant

sponsored by the

Women's Studio Workshop
and funded in part by the
National Endowment for the
Arts and the New York State
Council on the Arts.

The printing was done in the
medium of offset lithography
with immeasurable patience by
Ann Kalmbach.

My thanks for the hospitality
and help offered by all the
W.S.W. Staff.
