Friday, December 2<sup>nd</sup>  
6 – 9PM

**(Rosendale, NY)** – Women's Studio Workshop (WSW) is excited to invite our local community to an evening of art and in celebration of another successful internship term. At the culmination of their term, our current interns Sarah Rose Lejeune, Molly Berkson, and Chloe Horsma will show their work in an exhibition titled, *Becoming: Pt 1*. Join us for the opening event on Friday, December 2nd from 6 to 9PM to meet and mingle with these emerging artists and experience their work in person. The exhibit is free and open to the public and light refreshments will be served!

Beyond working full-time over the course of their six-month term, WSW interns are also encouraged to use our studio to support their own art. They came to the program from all corners of the country, with different backgrounds and expertise, and their work has come to span all our studios – book arts, printmaking, and papermaking – in exciting and inventive ways. *Becoming: Pt 1* will showcase their exploration into new media, material, and concept.

If you can't make it on December 2nd, *Becoming: Pt 1* will be on display in WSW's gallery until December 18, 2016. Visitors are welcome to stop by any time Monday through Friday, 9 am – 5 pm, or by appointment.
