their creative industrial art practice with flexible time commitments of one to three months. Micro-residencies are an ideal opportunity to complete a specific project, commission, or prototype within a limited amount of time. One ceramics and one metals micro-resident are hosted at a time.

Deadline: Rolling
Pollock-Krasner Foundation Grants

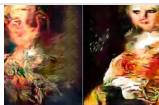

The Foundation welcomes applications from visual artists who are painters, sculptors, and artists who work on paper, including printmakers. Grants are intended for a one-year period of time. The Foundation will review expenditures relating to an artist’s professional work and personal expenses, and amounts range up to \$50,000. Artists must be actively exhibiting their current work in professional artistic venues, such as gallery and museum spaces.

Arts in California Parks Artist Directory

The California Department of Parks and Recreation invites artists interested in creating public art in California State and/or local parks to join the Arts in California Parks directory. The directory is a resource available to all State and local California Parks staff, as well as the general public, to be

Deadline: Rolling

Alterwork Residency

This residency allows emerging contemporary artists time and space to create new work exploring their practice. The residency culminates in a solo closing reception that is promoted across an extensive network. Proposals should have a contemporary art focus showing experimentation and career reach for the artist. The program is especially interested in projects that involve conceptual art, practice or theory, or involve the public in their creative process.

Deadline: Rolling

Stochastic Labs Residencies

Stochastic Labs awards fully-sponsored residencies to exceptional engineers, artists, scientists, and entrepreneurs from around the world. Residencies are of variable length and include a private apartment at the mansion, co-working and/or dedicated work space, shop access (laser cutter, 3D printer etc), a monthly stipend, and a budget for materials. Residents may apply as individuals or as teams.

Deadline: Rolling

The Awesome Foundation Grants
