

Name of Class: Intro to Pulp Painting

Name of Instructor: Candy Gonzales

Dates of Class: August 15-19

Hey there!

Looking forward to sharing all that I know about hand papermaking and pulp painting with you. For this week, I will ask that you bring a sketchbook, drawing and writing materials. If you have spare thread, twine or rope around your house bring some with you. If you have waterproof stencils of any kind bring those along. Bring your ideas. Bring open hearts and minds. Bring your enthusiasm. It will be a fun week of creating.

Best, Candy.
