

Name of Class: Textile Printing

Name of Instructor: Erin Zona

Dates of Class: July 11-15

Participants should have:

- Sketchbook and drawing materials (whatever works for you)
- Xacto knife
- Fabric and paper to print onto (tables are 48" deep, so standard 54" wide fabric is best) We should have time to print at least two 5 yard (15') pieces of your work, so plan accordingly
- Concepts and drawings you might want to use for your repeat print
- Optional any special colors of fabric screenprinting ink you want to use
